FIVE YEAR EMPLOYEE:

On May 28th Fumiko Takeshita completed a full five years with Hallikainen Instruments. Fumiko is one of our assemblers in the Electronics Department.

She was born in Fresno, but went to Japan with her parents before she reached one year of age. Fumiko attended High School in Japan, and then returned to the United States where she met Ben Takeshita, and they were married a few years later.

Before coming to work for H. I. Fumiko worked for Red Star Yeast Company, part time; then she attended training school to learn electronic assembling.

Fumiko likes to spend her spare time sewing.

RECREATION COMMITTEE REPORT: Larry Pease has been selected chairman of the annual company picnic to be held on Saturday, August 5th at the picturesque Turtle Rock. Lunch, games, and prizes are being planned; free for employees and their immediate families. More information will be posted at a later date. Now, we all should make a wish for good weather. (see the attached map for directions to picnic area)

NEW EMPLOYEES:

Charles Komar, our new design draftsman, in the Engineering Department, was born and raised in Budapest. After he graduated from High School he attended

the Technical University of Hungary, where he received his degree in architectural and structural engineering. Charles met his wife, Piroska, in Hungary and two months before leaving their country, they were married. In 1956, Charles and Piroska reached the United States. Idaho was the first home site for the Komars. Charles decided to come to the Bay Area because he felt there would be better job opportunities. Before coming to work at H. I. Charles was engaged in his own business as a general contractor. The Komars have three sons; Eric age 10, Andrew age 7 and Sebastian age 4.

H. I. is the first job Jerry has had since he retired from the Navy.

The Sullivans have three children; , Herbert age 9, Vickie age 7, and Terrie age 4.

Jerry's interest away from Hallikainen Instruments is oil painting. He also helps coach the little league baseball players.

Jerry Sullivan, our new electronic technician, was born in Detroit, Michigan and lived there until he enlisted in the United States Navy. The Navy sent Jerry to many foreign countries, but his home port was here in the Bay Area for the entire twenty years of his enlisted service. Jerry's classification in the Navy was interior communications electrician.

Our new technical writer, Gordon Floyd, was born in Oakland. After graduating from high school, he attended the United States Naval School of Electronics and later, the University of California at Berkeley. As a naval reservist, he was recalled into the Korean War for twenty-two months and served as an electronics technician. Since his discharge from the service in 1952, he has worked as an electronics engineer, applications engineer, product planning engineer, sales and contract administrator. More recently, he was Technical Publications Manager at Eldorado Electronics and Advertising Manager with E-H Research Laboratories.

Among Gordon's many interests are; snow

skiing, gardening, sailing, tennis and hiking.

Gordon and his wife, Flo, live in Napa together with their two children; Phillip age 16, and Linda age 13.

INTRODUCING: Candy Nicholson, and Cordell C. Cose. (More about them in the next issue.)
